Transcript excerpt:

Hi, Ranya. Can you start by introducing yourself? Hi, yes, yes. Thank you for having me. My name is Ananya and I just recently completed my Masters in Data Science. During my studies, I developed a strong interest in using data to solve business problems. I work with Python SQL machine learning and some visualization tools like Power BI. Okay, that's good to hear. Can you tell me about the project

call_1

The call transcript carries an overall positive tone.

Shortlist score: 72 (do_not_shortlist)

Rank 5 of 5 and below the shortlist and review bands.

Transcript excerpt:

Hi, Neha, please introduce yourself. Hi, I am Neha and I completed my degree recently and currently I'm looking for internship opportunities. I think these skills. I know some Python basics but I haven't used a lot of it recently and I have also learned SQL and college. but again we did not have the opportunity to go full depth in that. Okay, so have you completed any projects? Yes, yes, we have I
