The call transcript carries an overall positive tone.

Shortlist score: 87 (recommended_shortlist)

Rank 1 of 1 and within the top 1 candidates.

Transcript excerpt:

Hi, Lisa. Can you please introduce yourself? Hi, my name is Lisa. I recently completed my Bachelor's in Computer Science. And during college I had become interested in data analytics and machine learning. So I currently have experience with Python, SQL, Excel, and basic machine learning. Okay, will you be able to explain one of your projects right now? Sure. So I had worked on a sales prediction p
